

XIII INTERNATIONAL CONTROLLED AND MODIFIED ATMOSPHERE RESEARCH CONFERENCE

17 TO 20 MAY 2020
LEUVEN, BELGIUM

FAST FORWARD TO A FRESH FUTURE

SPONSORSHIP OFFERS

A DIVERSIFIED AND ACCESSIBLE OFFER
FOR YOUR VISIBILITY AND PR

We would like to invite you to the XIIIth International Controlled and Modified Atmosphere Research Conference (CAMA) on 17 – 20 May 2020 in Leuven, Belgium. This conference aims at creating an exchange forum for recent scientific knowledge and industrial developments in controlled and modified atmosphere. The CAMA conference is organised by the University of Leuven (KU Leuven) and the Flanders Centre of Postharvest Technology (VCBT)
